Class Notes: The	First Permanent English Settlement of Jamestown, VA (1607) (source: Middleton & Lombard)
Make it YOURS!	
	Virginia Before the English
	• By the early 1600s, many of the Native
	Americans in the area became part of the led by a man named Powhatan.
	The Virginia Company of London
	The Virginia Company was aformed in
	1606.
	• King James I funded the voyage and gave them a <b><u>charter</u></b>
	() to establish JAMESTOWN
	The primary goal was to
	The English Settlers at Jamestown
	• Virginia Company sent 3 ships with 144 colonists and crew (all male). They arrived in April of and chose a spot on a peninsula (for
	<ul> <li>I/3 of the colonists were, including a</li> </ul>
	minister and a doctor. 40 were soldiers or ex-soldiers. The rest were
	artisans and laborers
	• Colonists were expected to find a way to make a profit:
	• Find and other resources
	<ul> <li>Look for a water route west</li> </ul>
	<ul> <li> with Native Americans</li> </ul>
	• Produce
	Early Hardships
	location led to disease: malaria, typhoid, dysentery
	Water was contaminated in summer by sea water, leading to
