# 13 Colonies

The map shows the 13 colonies along the Atlantic coast of North America. Each colony is outlined and has a horizontal line next to it for labeling. From north to south, the colonies are: New Hampshire, Massachusetts, Rhode Island, Connecticut, New York, New Jersey, Pennsylvania, Delaware, Maryland, Virginia, North Carolina, South Carolina, and Georgia. A compass rose is located in the bottom right, with 'N' at the top, 'S' at the bottom, 'W' on the left, and 'E' on the right. Below the compass rose, the text 'Atlantic Ocean' is written. In the bottom right corner, the copyright notice '©EnchantedLearning.com' is present. An inset map in the top left shows the entire United States with the 13 colonies shaded in dark gray.
